Amendment dated March 17, 2005

REMARKS

Claims 19-33 have been withdrawn in light of the Restriction Requirement dated February 14, 2005. Claim 14 has been canceled. Claims 1-11, 13, and 15-18 have been amended to more clearly recite the claimed subject matter, and new Claims 34-38 have been added. Support for the amendments and the new claims can be found throughout the specification, particularly on pages 6-8, as well as in the original claims. Applicants submit that no new matter is introduced by this Amendment.

Applicants respectfully note that in light of the present claim amendments, the election of species made in response to the above-noted Restriction Requirement is no longer necessary. Alternatively, it may be necessary to make a new election of species. Should the Examiner have further questions or comments with respect to examination of this case, it is respectfully requested that the Examiner telephone the undersigned so that further examination of this application can be expedited.

It is not believed that extensions of time or fees for net addition of claims are required, beyond those that may otherwise be provided for in documents accompanying this paper. However, in the event that additional extensions of time are necessary to allow consideration of this paper, such extensions are hereby petitioned under 37 CFR § 1.136(a), and any fee required therefore (including fees for net addition of claims) is hereby authorized to be charged to Deposit Account No. 16-0605.
